**WE’RE OVER THE HUMP**

Praise the Lord! He has brought us through. I’m talking about the split we had when we arrived from a 3 month deputation trip. Most of the folks that left have returned, with the exception of three families. We are having souls saved, baptized and being disciplined. We had a full house on Sunday. And, the sweet spirit, which we had before we left, has also returned. Praise His Name!

**USA CHANGE IS EFFECTING MEXICO**

It is sad to see the changes that we are experiencing in Mexico and in the Mexican Government since President Obama took office. Historically, Mexico has been a nation that has defined life as beginning at conception; and has made abortion illegal until now. The American government threatened Mexico with closing the border completely to immigrants crossing to the USA in order to force doctors to perform abortion. What a sad testimony of the wickedness in the last days.

**GIVING THANKS UNTO GOD**

Two years ago we started to teach our Mexican folks what a day of Thanksgiving is. Sunday we expect a full house with a special speaker, as we celebrate a special day of Thanking God for His goodness.

**WANDA’S TWO BITS**

I thank God for the dear ladies that the Lord has allowed me to disciple. One of them, Dora, fell 3 weeks ago and separated the 2 bones in her knee. She had surgery, but is still unable to get out and about. She witnessed and uplifted a number of people in the hospital. Now she is concerned about some neighbor ladies to whom she has been witnessing. She has made it a point to visit them every service day in order to encourage them to attend. And, now she can’t walk to visit them. She asks me every time I visit or talk to her if I have visited with them. Praise the Lord for this young Christian’s burden for others! The fellowship, studies and service with Dora have been such a blessing to me.

**BELIEVE IT**

I finally got my Yukon back, but... it’s still not right. They installed old doors and wind and water come through the doors. Really pray for me, because my patience has expired. I need to take it back next Thursday over 125 miles from where we live.

**PRAY FOR**

Christmas gifts. Every year different churches have supplied gifts for around 300 Mexican children. Pray that we can do the same this year. If you’re planning to send gifts, please do so as soon as possible. Send to: John Casias, 3201 S. Jackson Rd., Pharr TX 78577.

Thank you for your love, prayers and support. We love you and are praying for you.

Love in Christ,  
John & Wanda
